When I was young, I'd listen to the radio
Waitin' for my favorite songs. When they played I'd sing along
It made me smile. Those were such happy times
And not so long ago. How I wondered where they'd gone
But they're back again. Just like a long lost friend

All the songs I loved so well. Every Sha-la-la-la
Every Wo-o-wo-o. Still shines. Every shing-a-ling-a-ling
That they're startin' to sing's. So fine. When they get to the part
Where he's breakin' her heart/It can really make me cry
Just like before. It's yesterday once more.

Talkin' to myself and feelin' old
 Sometimes I'd like to quit
 Nothin' ever seems to fit. Hangin' around
 Nothin' to do but frown
 Rainy days and Mondays always get me down
 What I've got they used to call the blues
 Nothin' is really wrong
 Feelin' like I don't belong. Walkin' around

 Rainy days and Mondays always get me down

It's amazing how you can speak right to my heart
Without saying a word, you can light up the dark
Try as I may, I can never explain
What I hear when you don't say a thing
The smile on your face lets me know that you need me
There's a truth in your eyes saying you'll never leave me
The touch of your hand says you'll catch me wherever I fall
You say it best, when you say nothing at all
All day long, I can hear people talking out loud (oh)
But when you hold me near (you hold me near) you drown out the crowd
Try as they may, they can never define

Go confidently in the direction of your dreams.
Live the life you have imagined. Life is 10 percent what happens
to me and 90 percent how I react to it.
Do something today that your future self will thank you for.
If you're not moving forward, you're falling back.

Country roads, take me home
To the place I belong
West Virginia, mountain mama
Take me home, country roads
I hear her voice in the mornin' hour, she calls me
The radio reminds me of my home far away
Drivin' down the road, I get a feelin'
That I should've been home yesterday, yesterday
Country roads, take me home
To the place I belong

Not if you know this
But when we first met
I got so nervous I couldn't speak
In that very moment I found the one And
my life had found its missing piece
So as long as I live I love you
Will have and hold you
You look so beautiful in white
And from now till my very last breath
This day I'll cherish
You look so beautiful in white, tonight

Youth is not a time of life; it is a state of mind; it is not a matter of ripe rosy cheeks, red lips and supple knees; it is a temper of will, a quality of imagination, a vigor of the emotions; it is the freshness of the deep springs of life.

The smile on your face lets me know that you need me
There's a truth in your eyes saying you'll never leave me
The touch of your hand says you'll catch me wherever I fall
You say it best, when you say nothing at all
All day long, I can hear people talking out loud

I used to think that I could not go on
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms
If I can see it, then I can do it
If I just believe it, there's nothing to it

I believe I can fly I believe I can touch the sky I think about it every night and day
Spread my wings and fly away I believe I can soar I see me running through that open door

light

When you're weary, feeling small When tears are in your eyes
I will dry them all I'm on your side, when times get rough
And friends just can't be found Like a bridge over troubled water
I will lay me down Like a bridge over troubled water

Bracket Light

Talkin' to myself and feelin' old. Sometimes I'd like to quit
Nothin' ever seems to fit. Hangin' around
Nothin' to do but frown
Rainy days and Mondays always get me down

Firefly light

When you're weary, feeling small
When tears are in your eyes
I will dry them all I'm on your side,
when times get rough
And friends just can't be found
Like a bridge over troubled water
I will lay me down Like a bridge over troubled water
I will lay me down
