When you're weary, feeling small When tears are in your eyes
I will dry them all I'm on your side, when times get rough
And friends just can't be found Like a bridge over troubled water
I will lay me down Like a bridge over troubled water
I will lay me down

When you're down and out When you're on the street
When evening falls so hard I will comfort you I'll take your part
When darkness comes and pain is all around
Like a bridge over troubled water I will lay me down
Like a bridge over troubled water I will lay me down

Sail on, silver girl, sail on by Your time has come to shine
All your dreams are on their way See how they shine
If you need a friend I'm sailing right behind

When you're weary, feeling small When tears are in your eyes
I will dry them all I'm on your side, when times get rough
And friends just can't be found Like a bridge over troubled water
I will lay me down Like a bridge over troubled water
I will lay me down

When you're down and out When you're on the street
When evening falls so hard I will comfort you I'll take your part
When darkness comes and pain is all around
Like a bridge over troubled water I will lay me down
Like a bridge over troubled water I will lay me down

Sail on, silver girl, sail on by Your time has come to shine
All your dreams are on their way See how they shine
If you need a friend I'm sailing right behind

I will lay me down

When you're down and out When you're on the street

When I find myself in time of trouble
Mother Mary comes to me
Speaking words of wisdom: Let it be
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom: Let it be

Let it be, let it be
Let it be, let it be
Whisper words of wisdom: Let it be

And when the broken-hearted
people living in the world agree
There will be an answer: Let it be
For though they may be parted
Some how they will see
There will be an answer: Let it be

Let it be, let it be
Let it be, let it be
Yeah, there will be an answer: Let it be

And when the night is cloudy
There is still a light that shines on me
Shine until tomorrow, let it be
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom: Let it be

When you're weary, feeling small When tears are in your eyes
I will dry them all I'm on your side, when times get rough
And friends just can't be found Like a bridge over troubled water
I will lay me down Like a bridge over troubled water
I will lay me down

When you're down and out When you're on the street
When evening falls so hard I will comfort you I'll take your part
When darkness comes and pain is all around
Like a bridge over troubled water I will lay me down
Like a bridge over troubled water I will lay me down

Sail on, silver girl, sail on by Your time has come to shine
All your dreams are on their way See how they shine
If you need a friend I'm sailing right behind
Like a bridge over troubled water I will ease your mind

Youth is not a time of life; it is a state of mind; it is not a matter a ripe rosy cheeks, red lips and supple knees; it is a temper of will, a quality of imagination, a vigor of the emotions; it is the freshness of the deep springs of life.

When you're weary, feeling small When tears are in your eyes
I will dry them all I'm on your side, when times get rough
And friends just can't be found Like a bridge over troubled water
I will lay me down Like a bridge over troubled water
I will lay me down

When you're down and out When you're on the street
When evening falls so hard I will comfort you I'll take your part
When darkness comes and pain is all around
Like a bridge over troubled water I will lay me down
Like a bridge over troubled water I will lay me down

Sail on, silver girl, sail on by Your time has come to shine
All your dreams are on their way See how they shine
If you need a friend I'm sailing right behind
Like a bridge over troubled water I will ease your mind
Like a bridge over troubled water I will ease your mind

When I find myself in time of trouble
Mother Mary comes to me
Speaking words of wisdom: Let it be
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom: Let it be

Let it be, let it be
Let it be, let it be
Whisper words of wisdom: Let it be

And when the broken hearted
people living in the world agree
There will be an answer: Let it be
For though they may be parted
There is still a chance that they will
see
There will be an answer: Let it be

Let it be, let it be
Let it be, let it be
Yeah, there will be an answer: Let it
be

And when the night is cloudy
There is still a light that shines on
me
Shine until tomorrow, let it be
I wake up to the sound of music
Mother Mary comes to me

When I find myself in time of trouble
Mother Mary comes to me
Speaking words of wisdom: Let it be
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom: Let it be

Let it be, let it be
Let it be, let it be
Whisper words of wisdom: Let it be

And when the broken hearted
people living in the world agree
There will be an answer: Let it be
For though they may be parted
There is still a chance that they will
see
There will be an answer: Let it be

Let it be, let it be
Let it be, let it be
Yeah, there will be an answer: Let it
be

And when the night is cloudy
There is still a light that shines on
me
Shine until tomorrow, let it be
I wake up to the sound of music
Mother Mary comes to me
Speaking words of wisdom: Let it be

It is for small needs it never asks,
or knows or remembers.

To salute the sun for whom I must make way.

You are in my dreams, night... and sometimes... day.
